Products listed above contain lead known to cause cancer, birth defects, or reproductive harm.

The Environmental Health and Safety Department at Hunter Industries has reviewed the regulations of Proposition 65, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986 and to the best of our knowledge the current Hunter Industries products manufactured mentioned above may contain lead known to cause cancer, birth defects, or reproductive harm. Hunter Industries will provide proper warning in the appropriate manufacturing areas in accordance with the Prop 65 regulations. Hunter Industries also reviews the Prop 65 list of chemicals on a regular basis to remain in compliance to the regulations.
